### REMARKS

Although this Amendment is being submitted after allowance, it is being submitted in response to the Notice By Draftsman that Fig. 2 had two views that were not labeled separately. As a result, Applicants are submitting Figs. 2a and 2b each containing one of the views of Fig. 2 to comply with the Draftsman's request. In addition, Applicants needed to make a few minor changes to the Specification in order to match the written description to the revised Fig. 2a and 2b. These changes do not require material work on the part of the Office and entry of this Amendment is respectfully requested.

A separate letter to draftsman pursuant to MPEP 608.02(r) is included herewith.

### CONCLUSION

Applicant respectfully requests entry of this amendment. If the Examiner has any questions or comments he is invited to call the undersigned at his convenience.

Respectfully submitted,

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope Addressed to: Box Issue Fee Assistant Commissioner of Patents, Washington, D.C. 20231, on 11 May 1999.
